

## THEME SONG

With thanks to the Singapore Police Force Band

Lyrics by : Darius Lim & Audi Hariz

Music by : Sulaiman Abdul Wahab

We live in a place where there is harmony  
A home where there is peace and hope for everyone  
Where we unite as One

If time must come when we face trying or troubled times  
Unite no matter what's our race or what's our faith  
Together hand in hand

## CHORUS

*Singapore United  
We will strive for our vision and hopes  
Together we'll achieve  
Our goals for Singapore*

*Singapore United  
Let our hearts all beat as one  
Many minds, singing in one voice  
Together Singapore!*

We must always stand together, everyone  
To keep peace and harmony if we should face troubled times  
Together hand in hand

United we stand, ready at all times  
Be strong! No matter what's our race or what's our creed  
We'll stand together as One

*(Repeat CHORUS)*
